

COMMERCIAL
FLOORING DIVISION

Pierce Commercial Flooring & Design.
No job too big. No job too small.

Pierce Commercial Flooring specializes in providing the highest level of product and service excellence available across the region. Each of our commercial flooring specialists understand the importance of delivering flooring solutions designed to meet your specific requirements, including safety, ease of maintenance, abrasion and stain resistance, comfort and appeal, as well as anti-static environments.

A wide selection of quality flooring products, a staff of professionals offering years of specialized expertise and a diverse range of tailored product solutions enable you to select the flooring right for your project. From carpet, cushion, resilient sheet vinyl, vinyl tile, rubber, cork, ceramic, athletic surfaces, walk-off matting, slip-resistant flooring and wood, you can feel confident your flooring needs are backed by our commitment to excellence.
